Digital Inclusion Activities In 2025

As Capgemini marks 25 years of transformative presence in India, we celebrate not just a milestone, but a movement toward digital inclusion by **inaugurating 25 Digital Literacy Centres across the country**, reaffirming our commitment to bridging the digital divide and creating opportunities where they're needed most.

Capgemini, in collaboration with Anudip Foundation, has launched a new Digital Academy in Bangalore, which is focused on **creating equitable access to technology-driven livelihoods for Persons with Disabilities (PwDs)** from marginalized backgrounds.

Capgemini has partnered with leading corporates and foundations aimed at digital inclusion including **Sanofi, MSDF, SAP Synchro and IBM**. With Sanofi, Capgemini has launched a **new Digital Academy in Hyderabad**. Capgemini has partnered with MSDF for **Greenskills Digital Academy** to train youth in Karnataka and Telangana.

Our **Stationery Kit Drive** across India was a heartfelt initiative to support the children of our support staff by providing essential learning tools. With over **1,983 kits donated**, the drive brought teams together in a shared mission to empower young minds and invest in their future.

Capgemini in India has launched **Impact Together Month** in 2025, where thousands of employees are coming together to make a difference in the communities around us. From school painting activities to leadership connects, from **mentorship sessions for Digital Academy candidates to NGO Melas**, we have multiple events throughout October

Digital Academy has launched its **mentorship program for young students in association with FFE (Foundation for Excellence)**. The mentorship aims to empower youths from underprivileged backgrounds by equipping them with skills that make them employable. **200+ Capgemini employees** have signed up as mentors in 2025

D&I Initiatives

WinspirE: Advancing Gender Balance

Career Advancement Programs for top-talent women with an objective to strengthen the internal leadership pipeline:

- **Takecharge!:** This is a 6-month long learning journey for women in mid-management, focusing on building foundational leadership skills for career development.
- **WeEmpower:** Year-long Career Advancement and Development Program for Women in mid-senior managerial grades to equip them in broadening their perspectives, expanding their network, and enriching their personal leadership strengths
- **Sheleads:** This is an elite 2-year long Career Advancement and Sponsorship program for women in senior leadership roles, where the proteges receive direct sponsorship from India Country Board members. The program develops and advances the protégés in their leadership journey and into their aspirational roles

Career Intentionality Series:

You Matter conversations help women make informed career decisions while engaging with role models. **The UpTalk! series** further enhances this by connecting Capgemini's women employees with external industry experts

Captivate:

Captivate is Capgemini's career comeback program for women professionals who intend to restart their careers after a break.

D&I Initiatives

DIVERSITY & INCLUSION

EMBRACING ABILITIES

Embracing Abilities (PwD inclusion)

- **UDID champions** - dedicated group of employees across locations who will support colleagues with queries related to the **Unique Disability ID (UDID) process** and help ensure a smooth experience in obtaining the UDID
- **Self-ID campaign** to promote disability and gender self-declaration in the system. PAN India emails, LED screen messages, and an article by India Inclusion Leader ,Sreya Ghosh Oberoi in DAILY highlighted its importance. The campaign was further amplified through AIC announcements and posts across inclusion ERGs
- **Voices of Ability"** webinar on July 17, 2025, celebrated **Disability Pride Month** with 1000+ participants, featuring inspiring stories from trailblazers like Anchal Bhatheja and Sakshi Chauhan under Capgemini's Embracing Abilities program. and safely

OUTfront: Empowering LGBTQIA+ Employees

- Offer comprehensive support, including gender transition guidelines, paid leave for gender affirmation, and medical insurance coverage for same-sex partners
 - Ensure accessibility in office spaces, conduct sensitization sessions, and collaborate with external organizations to foster an inclusive and supportive workplace culture.
- Launched new initiatives for employees from LGBTQIA+ community to feel safe about coming out, spreading awareness through 'Frames of inclusion' and Inclusive leadership through mentoring program

D&I Initiatives

Multiculturalism

- Inclusion Circles engage leaders in open discussions about inclusion, and Inclusive Leadership Sessions promote innovative thinking in a supportive environment.
- Culture Brain and Bias workshops enhance awareness of inclusivity, equipping employees with tools to create a welcoming workplace. These initiatives ensure equal opportunities for all employees to thrive
- **Inclusive Leadership Sessions** are dynamic, 4-hour, in-person workshops aimed at developing leaders who champion workplace diversity. Through engaging concepts, role plays, and activities, participants will learn to understand biases and foster inclusive cultures.
- **Uncovering Unconscious Bias in Recruiting & Interviewing** - is designed to equip recruiting teams and people managers with essential skills to recognize and reduce bias in the hiring process. This foundational training is vital for achieving our diversity goals and fostering a more inclusive recruitment process.

Veteran

- Our Veteran Program actively recruits veterans across various roles, leveraging their skills, experience and values for company success. Commitment through Veteran centric hiring partnerships, Smooth Transition and Cultural Integration through our 12 weeks of “Veterans Learning Program”, Manager Readiness and Peer Awareness & Career Advancement and Veteran Community Building
- The JOSH Employee Resource Group (ERG) provides a supportive community for veterans and their allies, facilitating networking and career transitions

Wellbeing

At Capgemini, we prioritize employee well-being through targeted programs:

- **Menstrual Wellness** : Our 360° Capsule Series offered insights on nutrition, yoga for cramps, and mental health support during the menstrual cycle.
- **Menopause Sensitivity Program**: Sensitization initiative featuring webinars, symptom management workshops, and a Menopause Café for open discussions.
- Cancer risk & awareness
- Mental health awareness
- Masculinity and Mental Health etc.

DIVERSITY & INCLUSION

L&D Initiatives 2025

Codecraft (Learn-a-thon 2025)

Our annual learning marathon empowered thousands to level up in cutting-edge tech such as Agentic AI, Cloud, Data Analytics, App Dev, and DevOps! Over 70,000 learners joined the journey, with 13,000+ diving into hands-on experiments.

Nucleus

Your all-in-one L&D hub with 200+ programs mapped to the OCEAN Skills Framework, offering calendars, compliance, certifications, playbooks, and tailored learning opportunities in one intuitive space."

OCEAN Assessment Framework

OCEAN is now India's gold standard for skill assessment, 800+ role-based and 10 skill-based evaluations, GenAI-enabled, 65K+ certifications, and integrated into fresher training for technical excellence from day one.

Agentic AI

Our commitment to AI and future-ready talent is unlocking new possibilities! Over 76,940 completions of the Agentic AI pathway, covering 41% of our workforce, mark a significant milestone in shaping the future.

Learning Unplugged

We brought hands-on learning to 6,500+ employees across four cities with interactive booths, live demos, and expert-led sessions from AWS, Google, Microsoft, Oracle, and ServiceNow, sparking a "learn by doing" culture nationwide.

Talent Management Initiatives

Strategic Talent Review (Grade E/F)

A yearly process which provides visibility of critical roles and top talent to senior management, identifies future leaders, strengthens succession plans, mobility prospects, gender diversity and highlights common development themes for key populations.

Leadership Mobility (Grade E/F)

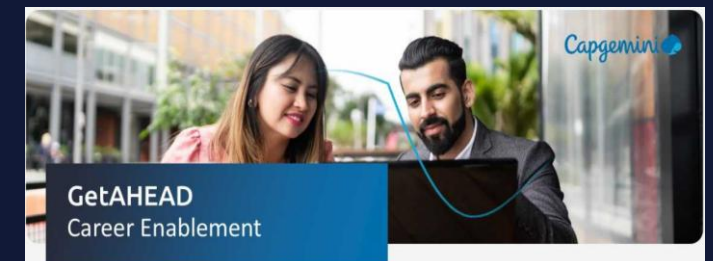

This initiative aims to amplify the focused efforts on Growth and Rotation for the leadership community through a dedicated campaign.

Executive Coaching Program

The objective is to provide senior leaders with leadership development opportunities and strengthen their readiness and effectiveness as future CXOs.

Career Enablement (GetAHEAD)

Global Talent Management solution designed to empower employees to take ownership of their career development. It provides tools for career planning, career skill growth, mentoring, 360 feedback, and internal mobility, all in one platform.

Talent Management Initiatives

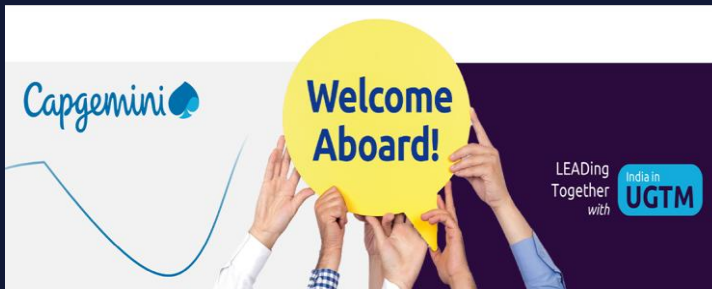

Career Counseling Café

A platform that empowers colleagues to take charge of their **career journey through personalized guidance**, leveraging the deep industry expertise of senior leaders. In 2025, we successfully transitioned and relaunched the program on the GetAHEAD platform.

EMBARK

An exclusive **talent boarding initiative for new joiners & promotes at mid-senior levels**, designed to seamlessly integrate them into their new/elevated roles.

India In UGTM

Program is a strategic initiative designed for select Group Clients, with the objective of empowering India to become an integral part of the client lifecycle and contribute to Group-wide growth. From a Talent Development perspective, the program offers a structured **pathway to strengthen client leadership and global relationship management**. Participants enhance client management skills, expand networks, gain insights from Group Client Partners, and build self-awareness through the Gallup Strengths Assessment.

Talent Management Initiatives

Performance Management

- Quality and Quantity of conversations have improved because of ongoing meaningful check-in discussions resulting in driving a high-performance culture.
- Effective update and usage of Talent Flags in GetSUCCESS helped in identification of Talent within the team.
- People Manager Priority in GetSUCCESS empowered People Managers to handle the Team Members eminently, by setting Priorities, having on going Check-ins, Quarterly People Reviews (QPR), Performance and Career Growth.
- Removal of Time in Grade as an eligibility criterion in the promotion process reinforced meritocracy and strengthened key talent progression and retention
- Promoted continuous learning and skill development through a dedicated Priority on learning with Activities like, ensuring completion of mandatory trainings, implementing targeted learning plans, earning relevant certifications, meeting ACLH (Average Completed Learning Hours) benchmarks, and encouraging active participation in mentoring.

Excellence In People Leadership Awards (EPLA)

This program is designed to honour exceptional leadership demonstrated by People Managers. It is among the most prestigious and aspirational awards in India, recognizing approximately 1% of People Managers who exemplify role-model behaviour.

Excellence in
People Leadership
Awards

2024 - 25

WNS Integration Culture survey

This message has been shared with BSV colleagues in grades C & above

Dear colleagues,

We are entering an exciting new chapter as Capgemini and WNS come together.

This moment is about more than combining capabilities. It is about **uniting two organizations with rich legacies, complementary strengths, and a shared ambition** to lead our industry's next wave of transformation.

Our success will not come from blending our cultures into one, but from learning from each other. This is why **we are inviting you to share your perspective** on our culture and our unique strengths.

Please take about 10 minutes to complete this survey before December 20.

**CLICK HERE TO
FILL THE SURVEY**

Thank you.

Make it **real.**
